GRADING PERMIT PLAN REVIEW FEE : Non-refundable fee of \$125 plus a cash deposit in the amount of \$500 for professional services.

Per Section 410.310.C of the New Melle City Code; “*Performance Guarantee*. Upon approval of the required erosion control plan and prior to the issuance of a grading permit, the City Engineer shall require the developer to post an escrow agreement, lender's agreement or certified check in the amount of the cost of all work to be done under the erosion control plan. Ninety percent (90%) of the funds may be released after all erosion control measures are in place and approved by the City Engineer. Ten percent (10%) will be held until the public improvements are accepted by the City and any outside agency to insure that the erosion control measures are maintained. If there are no public improvements (site plans), the final ten percent (10%) will be held until released by the City Engineer.”

Attach:

- ____ Two (2) copies of the plan are provided.
Additional copies may be requested upon review.
- ____ Grading plan review fee is provided.
- ____ Erosion control estimate of probable cost is provided.
